WIRE****Z Capital's Auto-Parts Company Manufactures Add-On Deal**

January 05, 2015

MSDP Group LLC, a **Z Capital Partners** -backed maker of aftermarket auto parts, said it bought Accel Performance Group, a provider of performance aftermarket parts, for an undisclosed sum.

Cleveland-based Accel manufactures performance ignition coils, spark plugs, wires, fuel injectors, filters and pumps.

Z Capital, of Lake Forest, Ill., said in December 2013 that its affiliate Hot Rod Brands LLC **acquired MSD Performance Inc.** , as part of aa bankruptcy auction.

MSDP, of El Paso, Texas, provides performance aftermarket auto parts such as ignitions, coils, distributors, timing controls and spark plug wires for the street enthusiast, professional racer and power sports markets.
